I have read the above information and agree to share in the inherent risks of agriculture with the farmers of LFFC. In turn, I expect the staff and farmers of LFFC to provide the freshest product possible at current market prices. I will be responsible for picking up my own share and communicating with my site host when I am unable to retrieve my share during scheduled pick-up times. I agree to read the list of items provided at my pick-up site and take only what is on that list. If I am found taking more than what is on the share listing I will voluntarily, forfeit my share.
