Share Your “First Fruits”

Dear Friends:

A picture is worth a thousand words and the pictures we have shared here do not even begin to tell the story of our ministry and mission here at Bryn Mawr Presbyterian Church. It would literally take thousands and thousands of pictures to even begin to tell all of the stories of the lives that are touched... because we give.

This year we only ask that you...

-Take time to prayerfully consider what you give and remember that an increase of 10% in our giving will enable all of our ministries to be maintained and continue to grow.

-Begin to plan your giving and allow that plan to help you on your spiritual journey, give in proportion to the blessings you receive and grow what you share over time.

We give because... our mission here at BMPC touches many lives: in our church, in our community and around the world and...

Because we give, our hearts are drawn closer and closer to Christ.

Yours in Ministry,

Mark Hess
