

# THIS TIME, THIS PLACE

CASE FOR SUPPORT

BRYN MAWR PRESBYTERIAN CHURCH

## A LETTER OF THANKS

# DEAR FRIENDS,

Bryn Mawr Presbyterian Church has a distinguished history of gathering to glorify God and going forth into our community and world in Christian mission. We are a community of faith that values inspirational worship, supports Christian education for all ages, seeks to grow as disciples of Jesus Christ, and enjoys sharing and extending God's love and compassion.

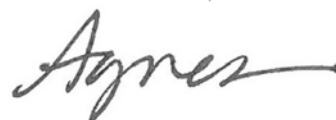

Our upcoming 150th Anniversary in 2023 invites us to remember and give thanks for the small group of 13 founding members in 1873 as well as those who, later in the 1920s, had the faith to build a Sanctuary that would hold twice as many people as the church had members. Because of the faith, vision and generosity of the saints who came before us, today we enjoy a beautiful six-acre campus and the vitality of being a congregation of over 2,400 members.

The sesquicentennial anniversary shining on the horizon also invites us to step forward in faith and lay the strongest foundation we can for the future life and witness of this historic church. For the last four years, key leaders of this congregation have been studying how our church campus can best serve the vision, mission and program of our congregation. We have prioritized the areas of building preservation, endowment expansion, and program development that will better serve our future ministries.

I invite you to join me in strengthening Bryn Mawr Presbyterian Church for the future. The campaign before us will require work, commitment and sacrifice to realize big goals.

Thank you for your prayerful support, your commitment and your partnership in the gospel.

Grace and Peace,

The Rev. Dr. Agnes W. Norfleet  
Pastor

# OUR VISION FOR THE FUTURE

Following a period of extensive planning and preparation, including an in-depth appraisal by the Property Vision Team and a feasibility study, the church has begun a historic effort to improve and endow its facilities.

Sacred spaces, such as Bryn Mawr Presbyterian Church, support a rich tapestry of activities shared by church members and members of the community alike. BMPC is a hub of faith and community with its doors open wide for all who choose to enter.

***This Time, This Place: The Campaign for Bryn Mawr Presbyterian Church*** seeks to honor our deep history, while boldly looking to the future and taking steps to ensure we will continue to serve our broad and intergenerational community. Now is the time to reimagine how we gather in Christian fellowship and extend our Christian service into the world.

At the end of this campaign we hope to have achieved the following:

Renovated and modernized our education building to meet the needs of both youth and adult learners

Addressed long-standing renovation and repair needs

Created a safe, accessible, and modern home for new members, families, and our neighbors who utilize our facilities

Enhanced outreach and mission partnerships

Endowed building capital and maintenance needs to reduce future reliance on stewardship budget

**EDUCATION BUILDING**

A clear entry for families and guests which eliminates our steep stairway and provides appropriate elevator access

**COMMUNITY SPACES**

New and revitalized community spaces for intergenerational fellowship and accessibility for all
