

INSTRUCTIONS

Creating your ornament set doesn't require many supplies. Feel free to get creative when you color/decorate your ornaments.

Supplies needed:

- The printout of the ornament pieces that you will be coloring—we recommend printing them out onto thick card stock paper if you can.
- A pair of scissors
- Tape and a glue stick
- Coloring pencils/crayons/markers
- Baker's twine/string/thread

Steps:

1. We recommend having your child/children color and decorate the ornament pieces first. If you have more than one child, you may want to print out a set for each child to make their own ornament set.
2. Once the ornament pieces have been colored and decorated, cut along the dotted line around each of the ornament pieces.
3. Fold each piece down the middle.
4. Use small rolls of tape or glue to adhere the inside halves of two of the ornament pieces, making sure they match evenly.
5. With the string, create a long loop, then glue or tape the bottom parts of the string into the center of the two pieces. Knot the loop at the top of the ornament.
6. Glue or tape the third ornament piece to the inside of the other blank halves.
