BMPC SUMMER PODCAST. The church has created a new mobile adult education resource for you to continue learning and growing during the summer when we are unable to be together. More than 10 episodes are now available online, via Apple and Google Podcasts as well as Spotify, or directly from our church website. This week's episodes provide a reflection on leadership and the calling to service that we have been given as followers of Jesus Christ. In Monday's episode, Rebecca Kirkpatrick and Frank Pottorff talk through the nine ordination questions for clergy and church officers, including the parts they wrestled with in their own ordinations and how these questions shape our understanding of the church, leadership and accountability to God, the Gospel and one another. Thursday's episode features a conversation with Lynn Yeakel, longtime BMPC member, as she shares the good work she has been doing as founder of the Vision 2020 project at Drexel University seeking women's economic and social equality on the 100th anniversary of women's suffrage in the United States. Listen to this week's episodes through Apple or Google Podcast or on the BMPC website. Have an idea of someone in our community who you would like to hear in a future episode?
